You will need 1 - 4 1/2" rectangle for each jelly roll strip or 1 - 2 1/2" x 2-1/2" square for each strip you use.

One 2 1/2" strip makes about 16 squares or 8 -9 rectangles

Lap – 3 strips or $\frac{1}{4}$ yard of solid fabric

Twin – 5 strips or $\frac{3}{8}$ yard

Queen- 7 strips or $\frac{1}{2}$ yard

King - - 8 strips or $\frac{5}{8}$ yard

IF YOU ARE DOING THE DIAGONALS YOU NEED TO DOUBLE THE AMOUNTS GIVEN FOR SQUARES

Pre-Class homework

Please cut your 4 $\frac{1}{2}$ " rectangles OR 2 $\frac{1}{2}$ " squares prior to class. You need one rectangle or square for every jelly roll strip you plan to use. Cut the selvage off your jelly roll if it has any.

****NOTE****

If you have limited quilting experience you may want to exclude the diagonal or square. To do the diagonal you must be comfortable sewing a diagonal without drawing a line first. If not, I would recommend you do a square which is much easier. There is a sample of each at the shop.
