**OR**

**Tues. June 23, 30, 6:00-9:00pm**

### Pattern Requirement\*:

"Payday" by Patterns by Annie. We will be making the **Small** bag.

### Fabric Requirements\*:

**Main Fabric** – ½ yd

**Lining** – ½ yd

**"Soft and Stable"** – One 18"x58" package

**Pellon 101 Fusible Interfacing** – 1 yd

### Handbag Hardware

#### Handbag Zippers:

1 30" or longer double slide handbag zipper

**OR**

For all sizes – One package of By Annie "**Zippers by the Yard**" – Highly recommended!

**Strapping** – 2 ¼ yds

**D-rings** – Two 1" D-rings

**Swivel Hooks** – Two 1" hooks

**Wide Mouth Slider** – One 1" Wide mouth slider

**Sew-In Magnetic Straps** – 2 sets 14mm sew-in magnetic straps

### Tools Required\*:

**Thread** to match your fabrics and zippers

**Rotary Cutter**

**Ruler** (at least 6 ½" by 24" in length)

**Clover Clips** – These are important! You will need these clips to hold the pieces together while sewing as the layers are too thick for pins.

The clips come in either a 10-pack or 50-pack. The 10-pack gives you

enough clips for the project but I feel it's worth it to invest in the 50-pack because you will find these clips indispensable for any project that involves thick layers. Also fantastic for attaching binding to a quilt.

**Stylus** – Wonderful to use to keep thick layers and zippers straight while sewing the pieces together. You can use the point of a seam ripper instead, but a stylus works much better.

**1 pkg size 90 Topstitch or Jeans needles**

**Pins**

**Marking pencil or chalk** (my favorite is the Clove Chaco liner marker in white or gray).

**Notes:** The pattern comes with a \$5 coupon for a video that highlights the construction of the bag. I strongly recommend using the coupon and viewing the video before class to get a better understanding of how this bag is made.

If you are bringing your own machine, please bring, if available, a ¼” foot and an edge stitch foot. If you are a **BERNINA** owner and your machine uses the feet with the “red” numbers, please bring, if you have any, a #37 (¼” foot) and #10 (edge stitch foot). We have a few of these feet available for our classroom machines but we are in short supply.

**\*We are grateful when you buy your required supplies at our shop.**
