### **Pattern Requirement\*:**

**"Santorini Tote" by Sew Hungry Hippie**

### **Fabric Requirements:**

**Main fabric** – 1 yd

**Lining** – 1 yd

**Contrast for bottom of the bag** – ½ yd

**Fusible Interfacing (Pellon 101)** – 2 yds

**Strapping** – 2 yds 1" width nylon or cotton strapping

### **Notions:**

**Soft and Stable** – one 18"x58" package.

**Handbag Zipper** – Two handbag zippers – One 24" length, One 13" length. Zippers by the Yard is highly recommended. You can get a lot of zippers from one package.

**Thread** to match your fabrics.

**Rotary Cutter**

**Ruler**

**Stylus** – Optional but wonderful to use to keep layers together while sewing.

**Sewing Machine Needles** – 1 pkg size 90 Topstitch or Jeans needles

**Pins**

**Marking pencil or chalk** (my favorite is the Clover Chaco liner marker in white or gray).

**Clover Clips** – Optional but highly recommended. Use these clips to hold together multiple layers (such as fabric and soft and stable). A 10-pack is enough for this project.

If you are bringing your own machine, please bring, if available, a 1/4" foot and an edge stitch foot. If you are a **BERNINA** owner and your machine uses the feet with the "red" numbers, please bring, if you have any, a #37 (1/4" foot) and #10 (edge stitch foot). We have a few of these feet available for our classroom machines but we are in short supply.

**\*We are grateful when you buy your required supplies at our shop.**

### **Pre Class Homework:**

Please purchase your fabric and notions before the day of the class.

Save some time and cut your fabric before the day of class. The cutting guide is on the next page.

Note: There's an error in the pattern – The pattern mentions pattern pieces included on pages 17-52. There are no pages 17-52. No need for actual pattern pieces, we'll be cutting squares and rectangles.
