Well friends, we have made it through an interesting couple of months and are now back hoping to enter into a "normal" way of things. However, with so many uncertainties, we are moving forward with a slight caution as we do not know what exactly this fall will bring.

So, you may notice that the selection is a bit smaller and we are only releasing our schedule for September and October. We have decided to hold off on releasing the whole fall schedule as we wait to see how the next weeks unfold, and if all goes well, then we will send out a "part 2" of the newsletter beginning to mid-October with our November/December classes and events.

We are excited for a new season, set of classes and are looking with optimism that all goes well and can carry on as normal. There are a couple new things we are super excited to share with you and we cannot wait to get you all inspired and creating some great new things and re-connecting with friends!

We are beyond excited to welcome the incredibly talented Janice Lutsenko in October!!! Stay tuned for details on her upcoming class here at Cotton Candy Quilts & Sewing.

Classroom Sew Days

Whip-It-Up Wednesdays. Only \$10/person! A wonderful day with a full-time instructor to help with those projects you aren't quite sure how to finish or start. Due to Covid 19 restrictions, we have decided to forego provided snacks and refreshments, hence the price adjustment. However, you are certainly more than welcome to bring your own to enjoy at your workstation.

Drop-in-Sewing. Tuesdays and Thursdays, we have opened the classroom for drop in sewing. There is no charge, and we do ask that you call ahead to hold your spot as we are only able to take up to 15 people max in order to keep within the proper Covid 19 social distancing regulations.

Both sewing days will be scheduled every week unless there is a scheduling conflict or instructor is away on the Wednesdays. Class Registration Policies apply to Whip-It-Up Wednesdays.

Stitch Pink

As many of you know, October is Breast Cancer awareness month. Moda and their wonderful team have put together a “Block of the Month” quilt in recognition of the fighters and survivors of Breast Cancer. For the month of October, every day we will release the link to a block for the quilt, and of course the finishing instructions at the end of the month.

We will have the classroom open every Friday beginning October 9 from 10:00am – 4:00pm for anyone who would like to come and sew with us. Lynelle will also be sharing tips and tricks and demoing tools that may be used in some of the blocks.

The cost to join us for the day is \$10 but includes all the patterns **from that week** printed off for you as well as instructions and help if needed. Be sure to call ahead and book your spot, we look forward to sewing up a pink (or whatever color you choose) storm with us.
