

Creativity never ends

AREAS OF APPLICATION

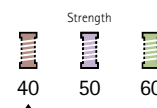

SILK-FINISH COTTON 40 is made from 100% long staple, Egyptian cotton and is excellently suited for patchworking and quilting. This thread is slightly thicker and therefore shows more beautiful decorative effects. Furthermore, SILK-FINISH COTTON 40 is also perfectly suited for sewing and because of the mercerization process has a very reduced shrinkage and is heat resistant.

RECOMMENDATION OF APPLICATION

PRODUCT FEATURES

- Natural cotton**
 Pure cotton thread made of 100% long staple Egyptian cotton with the soft sheen of natural cotton. The natural fiber is gentle on skin, feels soft, smooth and silk-like.
- Mercerization**
 SILK-FINISH COTTON 40 passes through a mercerization process which makes the thread very strong, heat resistant and has greatly reduced shrinkage.
- Highest colour fastness**
 Due to the special dyeing technology, an exceptional colour fastness is guaranteed.
- Optimal sewability**
 Due to its especially soft quality, SILK-FINISH COTTON 40 is optimally suitable for machine quilting.
