

## “What is Mystery Quilt?”

The Mystery Quilt is just that... a Mystery! You will not know what the final quilt looks like until the very end when you receive the files on how to lay out all of your blocks. What we can tell you is the 2013 Mystery Quilt has a total of 36 blocks which also makes 6 additional quilts (7 quilts with border) with unlimited layouts! And, will launch a New Stained Glass Collection!

## “How Does it Work? Is it a CD?”

Sign up during the month of June only by coming to our website and purchasing the Mystery Quilt.

You'll then receive an instant download that will get you started on the first 6 blocks.

Unlike previous years you'll then have access to a “Mystery Quilter” category at hoopsisters.com and each week your next download will be available there. Check your email to know when the files are available. Each week you'll get another set of blocks and instructions until the final set in week 6, which will show you the layout. Also, in your Mystery Quilters category you'll see a new deal each week that is only available for our Mystery Quilters!

A CD can be purchased which includes border files, if you would prefer to have a CD. CD's will be shipped in July to keep up the Mystery!

## “Do I need to visit a HoopSisters Dealer for Classes?”

No. You simply order it from our website. Work from home at your own pace. You will need to make a trip to your local sewing shop to purchase fabric and other supplies but the rest you'll receive from us in download format weekly. If you use a local sewing shop for supplies please list them as your dealer at the account set up level.

## “How will I pick out fabric not knowing what it looks like?!”

Easy! In this download we also provide you with a Fabric & Thread Key to help guide you. Get your supplies now so you are ready for designs in June!

## “When can I get it?”

This year's Mystery Quilt will ONLY be available June 1<sup>st</sup> – June 30<sup>th</sup>, 2013. After June you would have to purchase 6 separate designs to achieve this final layout. Also, after June these 6 new designs will launch a NEW Stained Glass Collection and you'll already have the complete collection!

The All Access Pass gives you the “Mystery Quilter” category, with all design files and instructions, on our website and access to secret deals that only Mystery Quilters have access to!
