Foundation Paper Piecing Supply list:

Fabric:

Bring large scraps or a variety of Fat Quarters Since we will be doing stars, I am using reds, whites, and blues that all coordinate. You may want to use some low volume whites for the background. Your imagination is the only limit!

You can choose to make a One block pillow cover, 3-block table runner 44"x 16", or add more blocks to make a quilt. Below are the requirements for a table runner.

2/3 yards for backing

1/3 yards for sashing and border

Tip: Use some leftover jellyroll strips for the sashing and borders. Instead of buying fabric
