

Around the Village

from The Village Quilter

The Village Quilter · 609-265-0011 · 10 Charles Street, Historic Mt. Holly, NJ 08060 · Fall 2017

Hello Villagers!

Can you believe how quickly our summer went? I think time flies quicker as I get older. Today I am sitting in my classroom trying to pull it all together before the students arrive.

As we prepare for our fall classes I am reminded of the talent of the wonderful women that teach and work in the shop. Class samples are being hung, supply lists are being copied and the shop's calendar online is being updated. We are just about ready.

Beginning in September, Let's Get Organized, by Annie. We will begin with the Stash and Dash in September followed by the Nesting Baskets in October and the Ditty Bags in November. I know you will fall in love with the practical designs as well as the opportunity to create stylish organizers while learning new skills and techniques. I hope you will join me on this organizing journey! Details are available at the shop!

All of our holiday fabrics are now in the shop. We are expecting a few more flannels, including wide backs for those toasty warm quilts you will be creating.

I will begin sharing class descriptions online and if you have any questions about the upcoming schedule, please don't hesitate to give the shop a call. Or stop by...

As always, I look forward to seeing you in the Village!

Joyce
