**Notes From DeeDee,**  
Well Happy New Year. We are certainly praying that 2022 will be a better year for all. We are all so happy to see so many of our snowbirds flock back south. We missed you all and are so glad you could come down. We are also sew happy to have our classes going back on. We have gotten some amazingly beautiful fabric in. Starting with the wonderful Calypso panel we got in. We were also able to make a CQ original for our class. If you haven't seen the coffee mug organizer you should stop by to see it for yourself. It is super adorable. We have some great machine classes coming up to help you learn your machine. We are so grateful for all of our customers who continue to support our shop. Things have certainly changed but we are doing our best to keep rolling with the punches. Thank you for rolling with us. We truly hope you have a wonderful new year.  
Happy Sewing
