Backseat Organizer
DeeDee
June 23rd, 30th, & July 7th
We will be repeating this class in July. Keep passengers occupied and the car clutter free! There's even a touchscreen-friendly zippered pouch that holds an iPad for hands-free viewing. The zipper on the side of the pocket provides convenient access to headphone jack, charger port, etc. Heading out for a walk? The caddy quickly converts to a stroller organizer so busy moms and dads can take along all the essentials. Whether your goal is a cleaner backseat or fuss-free stroller journeys, this handy organizer helps tame that overwhelming clutter. Class fee is free with purchase of supplies.

Covid Class Update
To help keep everyone safe we will only have class with 4 people. Once a class fills we will schedule you another. Thank you for your understanding.
