Notes From DeeDee,

We are so glad we are finally able to offer classes again. We can't wait to get back to business making wonderful new gifts and learning about your machines. Either way we are here and back at it. We are so excited to have our Halloween Party. We are also proud to offer classes that are designed to help you learn about your machine. We have a few open sewing classes to work on either new or older projects you have purchased from CQ and we also have an adorable table runner class available. Please be sure to sign up for these quickly as we will keep the numbers in our classes low to allow for distancing. Thank you
Happy Sewing
