4-Day Camp

Get ready for four days of embroidery fun! In this creative, hands-on camp, you'll stitch your way through **Fall**, **Winter**, **Spring**, and **Summer**, creating a fully embroidered pennant banner

base **plus** a whole collection of adorable, interchangeable appliqué pieces you can swap out all year long. Every element is made *in the hoop*, giving you polished results with maximum creativity and minimal stress.

This camp is bursting with color, texture, and seasonal charm. You'll learn how to customize appliqués, layer embroidery designs, and build a sturdy pennant banner that becomes your new favorite décor piece—one you'll love switching out as the seasons change.

Across four fun-filled sessions, you'll create:

- A beautifully embroidered pennant banner base
- A Fall appliqué set full of cozy charm
- A Winter appliqué set with seasoned sparkle

- A Spring appliqué set bursting with fresh color
- A Summer appliqué filled with patriotic spirit

It's lightweight, easy to hang, and even easier to swap out the seasonal pieces—making it a décor item you'll enjoy all year long.

By the end of camp, you'll have a complete, swappable banner system that brings joy to your home every season—and a whole new set of embroidery skills to show off.
