### Class Description

Join Karen for this fun and festive **Fall Pumpkin Table Runner** class! This class is designed for **comfortable beginners and up** — some piecing experience is required, making it a perfect next step for quilters who are ready to build on their skills.

You'll love creating this charming autumn-inspired project while learning new and efficient cutting techniques using the **AccuQuilt Cutting System**, with a special focus on the **Strip Dies**.

Over two fun-filled sessions you'll build your confidence, enjoy the process, and walk away with a beautiful fall project you'll be proud to display.
