Class Description

Super Sampler Quilt – Finishing Class

Ready to bring your Super Sampler Quilt to life? In this finishing class, Karen will guide you step-by-step through transforming the blocks you created in the Super Sampler Quilt class into a beautifully completed quilt.

In this session, you'll learn how to expand your existing sampler blocks by adding creative design elements that give your quilt a fresh, cohesive look. Karen will demonstrate how to arrange your blocks, add complementary piecing units, and incorporate sashing, borders, or additional block components to enhance the overall design.

You'll discover simple techniques that can dramatically change the appearance of your quilt while maintaining the skills you learned in the original class. By the end of the class, you'll have the knowledge and confidence to assemble your sampler blocks into a finished quilt top that looks polished, balanced, and uniquely your own.

All supplies are available at Redlands Sewing Center for a 10% discount
