

REDLANDS SEWING CENTER

Super Sampler Block of the Month

Class Description

Ready to step up your quilting, piecing, and patchwork skills? Whether you're a seasoned quilt maker or just getting started—this Block of the Month program is designed for you.

In the **Super Sampler BOM**, you'll create **12 unique sampler blocks**, learning new techniques and building confidence with every session. Each session we'll focus on four different blocks, exploring classic quilting techniques while expanding your piecing skills. You'll also learn Karen's efficient method for making half-square triangles from strips, helping you create accurate and consistent units.

Step-by-step instruction will guide you through assembling beautiful, eye-catching blocks that will eventually come together to create a stunning sampler quilt. Along the way, you'll gain valuable skills in precision piecing, block construction, and quilt design.

All supplies are available at Redlands Sewing Center for a 10% discount

✂ A quick note about irons: Each student is responsible for bringing their own mini iron (120V, low wattage only). We are not able to provide irons in the classroom, but don't worry — ironing mats will be set up and ready for you! Need a mini iron? We carry them right here at the shop.

Teacher: Karen

Class Fee: \$35 a session, 6 sessions Includes Kit

Feel free to bring a lunch or snack! You can also enjoy our new coffee station, which includes a microwave, refrigerator, and coffee.
