## Sewing Accessories Supply List

Description: Hello, and welcome to Kids Sewing Club. I can't wait to see all of your smiling faces! Our first project this year is a cute little sewing accessory that really comes in handy. It's a needle book to keep all your hand sewing needles in. Needle books have been around for years and years. They are a traditional sewing accessory that every sewist should have in his or her kit! We'll also begin learning all about decorative stitches by making a stitch library. There is no end to the fun you can have with decorative stitches!

### Supplies:

- Sewing machine in good working order or use one provided by Redlands Sewing Center\*
- Everything on your General Supply List with a container of your choice to keep it all in.

- 1/4 yard of solid white or cream colored fabric\*
