A NOTE FROM CHRIS

Hello Everyone,

Cotton Gin Fabric had the biggest Spring Fling Quilt Run ever! The best part was seeing so many people coming out to shop. Thank you for coming in and practicing safe habits.

We have missed so many of you. Our talented Stacy had a hit on her hands with her umbrella beach block. It was a pleasure to have Susy Nash her to introduce her Umbrella Alley collage. It was amazing. She constructed it to resemble Redlands own Umbrella Alley. You should go see it the next time you are in town. It's a very special place for libations or dining with many historical sights to see.

Cotton Gin will spend April celebrating National Serger Month by putting all our high quality knits on sale, and garment patterns will be 25% off too. Our BabyLock Vibrant serger will be 10% off of our everyday sale price.

Redlands Sewing Center will be celebrating National Serger Month too with a big sale. Come in and have a demo on the BabyLock Triumph or BERNINA L890. BERNINA has two new models, L890 & L850. You must see the new air threading and many new features. BabyLock has a new air threading cover stitch machine. It's so amazing. Several of our employees have already purchased one.

You have been asking for classes and we hear you. We are working hard to get classes up again. Nothing but plans so far, but hopefully coming soon.

Stay safe and have a Happy Easter.

Chris
