Bernina 125th Golden Anniversary Quilt

This gorgeous golden quilt was designed to celebrate Bernina's 125th Anniversary. But whether you own a Bernina or not, this quilt will be one you love. Blocks are pieced and trimmed in gold paisley, and surrounded with darker gold trails and white edging. The white back grounds and corner stones are embroidered (or appliqued) with antique gold color thread, with hints of white. Imagine making your quilt in shades of blue, or mint green, or whatever color-way you love. Gold does not have to be yours. Mary will guide you through the steps to create your own beautiful quilt.

We will be cutting during Session 1, and begin to embroider or applique the corners.

Cutting tools

- 12 ½" or 15½" or 22½" Square-Up ruler
- 6" x 24" ruler and a rotary cutter
- Thread scissors

Notions

- The 125th Golden Anniversary Quilt Instruction booklet. Be sure you also receive the corrections page with it.
- Light Weight Tearaway stabilizer or PolyMesh stabilizer or Clean and Tear Stabilizer. We will talk about which one and why before you commit.
- Shape Flex Fusible interfacing (SF101) per instruction booklet
- Embroidery Thread colors of your choice to blend and contrast with fabrics. Use the brand you love best.
- Embroidery Bobbin thread

Machine, in good working order

- Embroidery machine or Sewing machine if doing appliqued motifs
- Power cord
- Embroidery Foot, or Open Toed foot for applique
- Hoops for embroidery—some of the designs have been modified to put two in the same 8" x 16" hoop.

Fabrics

Choose fabric from your favorite color palette or purchase the Golden Quilt fabric kit. The pattern will guide you in yardage amounts. I recommend snipping a piece of each fabric and gluing it to the fabric square in the front of the book, so we make no mistakes later.
