My BERNINA Embroidery Machine Basics Supply List

These two classes are for the following **current** Bernina embroidery machines: Models 500, 590, 700, 770, 790, and 880.. They do need to be taken in order.

Please bring the following to each class:

- My BERNINA Embroidery Workbook - Optional
 - [Download workbook from redlandssewingcenter.com](http://www.redlandssewingcenter.com)
- BERNINA sewing machine and embroidery module with power cord and foot control
- ALL embroidery accessories that came with your machine, which may include the following depending upon your specific model:
 - Embroidery hoops and templates
 - Embroidery presser foot #15 or #26
 - Thread net
 - 1-2 extra bobbins
 - BERNINA USB stick
 - Extension table
 - Multiple thread stand/spool holder (optional)
- Instruction Manual
- Small thread snips
- Isacord embroidery thread, 4-6 spools in a variety of colors for flowers/leaves, plus one variegated spool in any color way
- White bobbin thread
- Schmetz 80/12 embroidery needles

Class 1: Embroidery Beginnings- Includes hands-on instruction on machine/module setup, embroidery preparation, basic embroidery supplies, hoop adjustments & calibration, embroidery functions, accessing designs, customizing thread colors, and embroidery sequence control.

Class 2: Beyond the Basics- Includes information and instruction on embroidery resources, lettering, saving & deleting designs, and combining motifs with text. There will also be a short demonstration on BERNINA Software if time allows.

Please visit our web site for class policies.
