## Brother & BabyLock Sewing Know How Supply List

In this 2 part class we will work our way through the many set up screens, and features of your machine. You will learn about the accessories and feet that came with your machine. We will cover uses of utility stitches and decorative stitches.

### Supplies:

- Sewing Machine - **YOU DON'T NEED YOUR EMBROIDERY MODULE THIS TIME**
  - Clean, and ready to sew
  - Power cord and foot pedal
- All sewing accessories that came with your machine - not embroidery accessories
- Instruction Manual
- Mettler Polyester sewing thread, any color except black, white, grey or beige
- 1 empty bobbin
- Scissors
- Pins
- Pen & paper for taking notes

Please visit our website for our class policy.
