

Cover Stitch/Chain Stitch Know How Student Supply list

In this basic Cover Stitch Know How class you will learn how to thread and set up your machine for cover stitch as well as chain stitch. We will also discuss when to use these stitches.

Bring to class:

- Machine with foot control and power cord
- Instruction Manual
- Small scissors
- Permanent marking pen (to write on fabric)
- Accessories (everything that came with your serger)
- Cover Stitch Plate and Cover Stitch Foot
- 3 or 4 Spools high quality serger thread to match dots on machine (depending on your machine model)
- BabyLock machines need 3 or 4 spools of high quality serger thread to match the colors on the Quick Reference Threading Guide (depending on your machine model)
- 1 pkg. NEW Universal needles size 90/14
- Note pad and pencil to take notes
