Janome Embroidery Know How Student Supply list

Your journey through embroidery starts with information on threads, stabilizers and hooping. Then you will learn about designs, combing and saving designs as well as importing designs into your machine. Finally, placement with the use of the Clothsetter and templates will help you to stitch out designs with perfect placement and accuracy.

Bring to class:

- Janome sewing machine with power cord, and all accessories
- Hoops
- Clothsetter
- Compact Flash Card with Adaptor or USB stick
- Instruction Manual
- 2 decorative (embroidery) threads, Janome , Robison-Anton, Sulky or Isocord brand
- Extra needles - Schmetz size 80/12 Embroidery
- Scissors for thread trimming
- 1 empty bobbin
- Paper & pen for taking notes
- Optional - Memory Card

Please mark all items with your name, particularly your instruction manual, foot storage box and foot control.

Please visit our web site for class policy.
