JANOME

A NOTE FROM CHRIS

Happy New Year,

We hope all of you had a healthy holiday season. If you stayed home or if you were able to gather, we hope you truly enjoyed the season.

We are blessed to have a vaccine on the way. Let's hope we see improvement in the numbers.

We were closed again in December due to the fact that some of our staff were exposed to and some had Covid-19. We are so thankful that all have recovered and so have no serious complications.

For your safety and ours, we are not opening our classroom until it is safe. So for the time being, we are sorry, but no classes will be held.

We are well stocked on machines, so we will be able to accommodate all your needs. We are having a January Blowout Sale the entire month at both stores. Be sure to stop by and pick up what you didn't get for Christmas!

Cotton Gin's website now has online ordering, with store pick up being one of the options. This is a great way to shop without spending a lot of time in the store. Then just swing by and pick up your order.

Thank you for shopping with us,
Chris
