A NOTE FROM CHRIS

Hello Friends,

We are so happy to open a few classes and see your happy faces again.

We will be having more classes as the state opens up. Hooray! Please check out website for available classes. The classes are small to comply with covid precautions. Register early so we don't cancel for low enrollment.

Get vaccinated. We want to be safe. We are still wearing face masks and sanitizing for your safety.

Hey quilters, Mary's Ruler Work class was so popular. She has booked two more classes, one on June 9 and the other on July 10th. Don't miss this one. She is also teaching a 2 part class called Flipping Out. It's a cool bag that can be made in a couple sixes and can hold sewing notions, make-up items, or art supplies. I'm sure you can think of many ways to use it. You will learn a lot from Mary, as we always do.

Susy Nash is teaching Umbrella Alley collage. It is inspired by the local umbrella alley right here in Redlands. There are 3 class times to choose from. Make sure you ask about the heartfelt story of how it got started.

Michelle is teaching a Men's Boxers class. It is a great way to get started sewing with knits. She is also teaching the Scan N Cut Embossing Kit.

Lexy has a backpack class that can be made out of cork or leather. She loves to make bags so she has a lot of tips for you.

Stacy has a few great classes for beginners coming up. They are the Oven Mitt and Tiny Tot Bib. These projects can be made up in a few hours and are a great way to get started.

Evelyn is a new teacher for us. She will be teaching a Mom & Me Apron class and a class on how to cut and apply heat transfer vinyl using your Scan N Cut. We are sure it will be a lot of fun.

Cotton Gin is participating in the Southern California Quilt Run in July. Mark your calendars! This is the 15th anniversary and the theme is Sew What's in Your Garden? It runs 2 weekends, July 15-18 & 22-25. We hope to see you there.

June is Summer Clearance at Redlands Sewing Center. All clearance machines will be 20% off or more. We are also overstocked on entry level machines. We have the perfect machine for new sewers. Don't miss this sale! Happy Father's Day to our Dads. Make him feel appreciated. We have the perfect fabric for you at Cotton Gin and perfect machines to pair it with.
