## Kids Club Supply List November 2021 Hot Fingers!

Class Dates:

Friday, November 5      3-6 pm

Saturday, November 6      9-12

Hello November! Wondering about the title of our project this month? Don't want hot fingers? Well, this project will prevent them! Let me explain. We are making a clever little pot holder that will keep your fingers nice and cool when removing items from the microwave. Like popcorn or a cup of cocoa! They are easy, fun to make and great gifts too!

Supplies:

- Sewing Machine in good working order or use one of ours\*
  - Foot control and power cord
  - New needle ®
- Needles
  - Schmetz 90/14 Universal needles ®
- Thread
  - 1 spool Mettler polyester thread in a bright color that matches your fabric ®
- Notions
  - Everything on your General Supply List ®
  - Hot Fingers! Pattern by Susie C. Shore Designs ©
- Fabric
  - 2 coordinating fat quarters (Avoid directional prints please) ©
  - 1/4 yard Fusible Fleece ©

I will provide ribbon for the loop to hang your potholder by

Items available at Redlands Sewing Center ® or Cotton Gin Fabric © .  
Bring this supply list for 15% off your project supplies.

Skills:

- Continuing Sewing Machine Basics
- Fusible Fleece (I love this stuff)
- Sewing Around Curves
- Tipstitch

Homework:

Purchase all your supplies and organize your sewing kit. Bring it all to class.

See you there!
