## Rhinestone Kit—Bring On The Bling Supply List

### Level 1 Beginner

So, you have the Rhinestone Kit. Now What? In this class we will discover the Scan N Cut Canvas web site where you will activate your Rhinestone Kit. We will take a preinstalled design from the program and create a template, make a transfer and press it to a garment.

#### Supplies:

- Laptop Computer
  - USB Stick - this is a must to get the cut file to your machine\*
  - You must have already gone to <https://canvasworkspace.brother.com> and set up an account
- Scan N Cut
  - Power Cord
  - Operation Manual
- Accessories
  - Rhinestone Kit with everything in it
  - Standard mat 12" x 12"\*
  - Standard cut blade holder (blue)\* OR Black blade for DX model\*
- Misc.
  - Garment to press rhinestone transfer to
  - Brayer\*
  - Craft Scissors\*
  - Pen & Paper for notes
  - Baby wipes - non alcohol, non fragrance type
  - X-act Knife
  - Painter's Tape
