## Party Pumpkins

$5 b^{\prime \prime} \times 5 b^{\prime \prime}$

## Fabric Requirements:

Orange Print: 1 yard or scraps equaling 1 yard Black Print: $1 / 3$ yard
Orange Border Print: $2 / 3$ yards
Background: $21 / 2$ yards
Binding: $1 / 2$ yard
Backing: 3 yards

My Sew Quilly Life

Party Pumpkin

Unfinished Size: $13^{1 / 2^{\prime \prime} \times 13^{1 / 2} 2^{\prime \prime}}$

Cutting Instructions for the Block:

|  | One Block | Entire Quilt |
| :---: | :---: | :---: |
| A | 2-2 $1 / 2^{\prime \prime} \times 131 / 2^{\prime \prime}$ rectangles | 32 |
| B | 2-31/2" $\times 43 / 4 \prime \prime$ rectangles | 32 |
| C | 2-2 $1 / 2^{\prime \prime} \times 4$ " rectangles | 32 |
| D | 4-2" squares | 64 |
| E | 1-2 $1 / 2^{\prime \prime} \times 6 \frac{1}{1 / 2}{ }^{\prime \prime}$ rectangle | 16 |
| F | 2-1"x 3" rectangles | 32 |
| G | 4-11/4" squares | 64 |
| H | $1-63 / 4^{\prime \prime} \times 91 / 2^{\prime \prime}$ rectangle | 16 |
| H - Scrappy Pumpkins 4-23/4"x $63 / 4$ "rectangles |  |  |
| I | 1-2 $1 / 2{ }^{\prime \prime}$ square | 16 |
| J | 1-31/2" $\times 43 / 4^{\prime \prime}$ rectangle | 16 |
| K | $1-1{ }^{\prime \prime} \times 41 / 2^{\prime \prime}$ rectangle | 16 |

1. If you are making the Scrappy Pumpkins, first assemble Fabric H rectangles together. On the back of Fabric D squares, draw a diagonal line from corner to corner. With right sides together, place Fabric D squares on each corner of Fabric H rectangle. Sew on the diagonal line. Trim $1 / 4$ " away from the sewn line. Press toward Fabric D. The Pumpkin Unit should measure: $63 / 4^{\prime \prime} \times 91 / 2^{\prime \prime}$.

Make one.
2. On the back of Fabric J rectangle, measure $1 \frac{1}{2 \prime \prime}$ from the top edge and put a mark on both sides. On the bottom of Fabric J rectangle, measure $1 / 8^{\prime \prime}$ from the bottom edge and put a mark on both sides. See diagram below. Then, draw a line from mark to mark.

3. On the front of Fabric E rectangles, draw a diagonal line from corner to corner. Cut on the drawn diagonal line. See diagram below.

4. With right sides together, layer one Fabric E triangle behind Fabric J rectangle. See diagram below. (*Fabric J is transparent in order to see Fabric E). Align Fabric $E$ so that it overlaps the drawn line by $1 / 4^{\prime \prime}$. Sew on the drawn line. Press toward Fabric E. Repeat to the other side. After you have pressed, on the back side of Fabric J, use the edges of Fabric $J$ rectangle to be a guide to trim to $31 / 2^{\prime \prime} \times 43 / 4^{\prime \prime}$. Now, trim the excess from Fabric J and press the seam open.

Hat Unit Front:

Make one.
5. Assemble (2) Fabric B rectangles to the sides of the Hat Unit. Press toward Fabric B. The Units should measure: $43 / 4^{\prime \prime} \times 91 / 2^{\prime \prime}$.

Make one.
6. Assemble (2) Fabric F and (1) Fabric K rectangles to the bottom of the Hat Unit. Press toward Fabric F and K. The Hat Unit should measure:

Make one.
7. On the back of Fabric G squares, draw a diagonal line from corner to corner. With right sides together, place Fabric G squares on each corner of Fabric I square. Sew on the diagonal line. Trim $1 / 4 \prime$ " away from the sewn line.
Press toward Fabric G. The Ball Unit should measure: $2^{1 / 22^{\prime \prime}} \times 21 / 2^{\prime \prime}$.

Make one.
8. Assemble (2) Fabric C rectangles to the sides of the Ball Unit. Press toward Fabric C. The Ball Unit should measure: $21 / 2^{\prime \prime} \times 91 / 22^{\prime \prime}$.
 Make one.
9. Assemble all of the Units according to the diagram below. Press open. The Pumpkin Unit should measure: $91 / 2^{\prime \prime} \times 131 / 2^{\prime \prime}$.

## 1Party Pumpkins

10. Assemble (2) Fabric A rectangles to the sides of the Pumpkin Unit. Press toward Fabric B. The Party Pumpkin Block should measure: $13^{11 / 2^{\prime \prime} \times 1} 13^{1 / 2 \prime \prime}$.

Repeat the steps above to make sixteen Party Pumpkin Blocks total for the quilt.

## Pumpkin Sections

1. Assemble (4) Party Pumpkin Blocks according to the diagram below. Press open. Each Pumpkin Section should measure: $43 / 4^{\prime \prime}$ x $91 / 2^{\prime \prime}$. Make four.

2. Assemble the four Pumpkin Sections together. The quilt should measure: $521 / 2^{\prime \prime} \times 52^{1 / 2} 2^{\prime \prime}$.

## Finishing Instructions

| A | $6-21 / 2^{\prime \prime} \times$ WOF strips (A1 \& A2 Borders) |
| :--- | :--- | :--- |
| B | $6-312^{\prime \prime} \times$ WoF |

Backing: 3 yards of $40^{\prime \prime}$ wide fabric Binding: $1 / 2$ yard, cut 7-2 $1 / 22^{\prime \prime} \times$ WOF strips

## Border Assembly

1. Assemble Fabric A strips together into one long strip. Subcut the strip into (2) 52 1/2" strips (A1 Border). Subcut the remaining fabric into (2) $56 \frac{1 / 2 "}{2}$ strips (A2 Border). *It is important to measure your quilt before you cut these strips, as your quilt may be slightly different. You may have leftover fabric.
2. Assemble A1 Border to the sides of the quilt. Press toward the A1 Border.
3. Assemble A2 Border to the top and bottom of the quilt. Press the toward A2 Border.
4. Assemble Fabric B strips together into one long strip. Subcut the strip into (2) $561 / \mathbf{z}^{\prime \prime}$ strips (B1 Border). Subcut the remaining fabric into (2) $62 \frac{112 \prime \prime}{2}$ strips (B2 Border). *It is important to measure your quilt before you cut these strips, as your quilt may be slightly different. You may have leftover fabric.
5. Assemble B1 Border to the sides of the quilt. Press toward the B1 Border.
6. Assemble B2 Border to the top and bottom of the quilt. Press the toward B2 Border.

The quilt should measure: $561 / 2^{\prime \prime} \times 561 / 2^{\prime \prime}$ before quilting and binding. Baste, quilt, and bind using your preferred method.
