

Fat Quarter Star

Approximately 66" Square

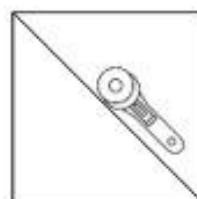

Fabric Requirements:

- 8 Fat Quarters
- 2 yards background
- ½ yard binding
- 4 ¼ yards backing

From your background fabric, cut four 18" squares and four 17" squares. On the 18" squares ONLY, cut diagonally to make large triangles. Set the 17" squares aside for later.

From your binding, cut seven 2.5" strips and join into one long strip. Press lengthwise, wrong sides together and set aside for later.

From each Fat Quarter, cut an 18" square. Cut diagonally corner to corner for large triangles.

Referring to the diagram, pair up your triangles right sides together and sew along the long edge to make Half Square Triangle blocks as shown.

Press seams open and trim blocks to 17".

Referring to the diagram, assemble rows, then join the rows together, pressing seams open.

Layer, quilt, bind, and enjoy.
