HOLIDAY SCHEDULE

November 22 and 23: closed
 December 24: open 11-3
 December 25: closed
 December 31 and January 1: closed

Dear Friends,

Capital Quilts Cares is our way of reaching out to the greater community. We conduct a variety of workshops throughout the year for the benefit of others in need. Over the last five years, we have made placemats for seniors, isolette covers for preemies, Quilts of Valor for our military, quilts and pillowcases for children in hospitals and at the NIH, pet beds for shelters, and more.

Now, we are extending our hands to the victims of hurricanes Harvey and Irma, both human and four-legged. If you have a quilt or quilts you would like to donate to a family, or kennel quilts for shelters, bring them to Capital Quilts and we will make sure they reach those who need them. Quilts can be any size from baby to king; they need to be all cotton, and the batting needs to be thin cotton batting. Kennel quilts must be 12" x 18", all cotton, and constructed in the pillowcase method. Please refer to our website for more information on guidelines for quilts.

We gratefully accept donations of fabric and batting to make these projects possible. Anyone can donate, and donation is not a requirement of participation in the events. We ask that the fabric be of good quality, washed, and all cotton.

*A heartfelt thank you to all of you
 who participate in our Capital Quilts
 Cares programs with your time,
 effort, and donations.*

*You truly make a difference in our
 community.*

Fall, at Capital Quilts, is always an exciting and busy time! We start right off on October 1 with a trunk show, given by pattern designer Jennifer McClanahan. She will be debuting two new patterns at Capital Quilts! The name of her company is Sweet Tea Pattern Co.

Larry Sheckman, our rep for Timeless Treasures, Dear Stella, P&B, and Marcus, will be back on October 19 to give us the skinny on what fabrics his companies will debut at Quilt Market...before Market! Come get the insider's look and help me choose fabrics to purchase for the shop.

November, of course, means it is time for the Quilters' Quest Shop Hop. This year every shop has a movie theme: ours is Willy Wonka and the Chocolate Factory! The staff is doing a Staff Challenge to make suitable aprons. We'll give away Wonka Bars...and you just might find a Golden Ticket in yours. Visit ten shops in ten days Maryland and northern Virginia. If that sounds like too much driving, hop on our Quilters' Quest bus and leave the driving to us. We feed you breakfast and lunch, give you a comfortable seat to sit in, and take you to all ten shops in just two days. Best of all, we take care of all the paperwork and you just visit the shops and have fun. PLUS you get a colorful tote bag in which to gather your goodies and a card good for 15% off all purchases in all ten shops through October 31, 2018 (some restrictions apply).

Don't miss Ginny Brown's Trunk Show on December 3. Ginny is a Certified Studio 180 Quilt Instructor. Learn more about Deb Tucker's Studio 180 templates and how to use them. Attendees receive a 20% discount on Studio 180 products on the day of the Trunk Show.

SEWING MACHINE SERVICE AND REPAIR for Janome, Elna, and Necchi

Bruce Blackerby, technician

Basic Fee: \$95

Bruce is a certified Janome repair technician. The Basic Fee covers cleaning and tuning. Replacement parts, if needed, are extra, as is the labor to install them.

Bruce can clean and tune any brand of machine. However, we only take Janome, Elna, and Necchi machines for repairs, as these are the only machines for which we can get replacement parts.

Bruce picks up your machine at the shop on Sunday afternoon, takes it to his shop for servicing, and returns it to the shop, generally two weeks later. If he discovers an unexpected problem, he will call you with an explanation and an estimate for the repair, if any.

Please bring your machine to the shop before any given Sunday. Include the power cord, foot pedal, bobbin case with a bobbin, basic foot, and a needle. If you have a cover or case for your machine, please pack everything in that. Leave all other accessories at home!
