

# Complete Course of Quilting via Zoom

## Supply List

### Introduction

This 10-week quilting course teaches everything you need to know to start making your own quilts. This course covers the basics: getting to know your sewing machine, rotary cutting, fabric selection, and a variety of techniques for machine piecing quilt blocks. You make a sampler quilt and learn to sandwich, quilt, and bind your masterpiece. This is the perfect opportunity to explore the quilter's art, which is both ancient and modern!

**Finished size of sampler quilt:** 40 in. x 50½ in.

**Skill level:** Beginner

#### Know before you sign up:

Most classes are a combination of discussion, demonstration, and practice. **You must have a sewing machine in good working order.** If your machine has not been serviced in the past year, please have it cleaned and oiled. Capital Quilts can clean and oil many brands of sewing machines; allow two weeks for servicing.

In addition to the 10 Zoom classes, you will have a one-hour private session with the instructor. You must bring your sewing machine to the private session, so the instructor can review the machine's operation and make sure you are comfortable operating it. As time allows, the instructor can help you select fabric and supplies for the class.

Once you have registered, the instructor will contact you to schedule your private session. You must wear a properly fitting mask during the private session (as will the instructor). Please note that it may not be possible to maintain social distancing for the entire private session, although we will do our best. If you have any health concerns, please discuss them with the instructor.

Zoom works on many platforms: laptops, tablets, and cell phones. Download the app/client at the Zoom website: [https://www.zoom.us/download#client\\_4meeting](https://www.zoom.us/download#client_4meeting). You are not required to create a Zoom account.

Whichever platform you use, you will need to have a camera/webcam, microphone, and speakers, as well as an Internet connection.

On the day of the class, you will receive an email with a link to the meeting. Click on the link and connect both computer audio and video.

## Supplies

### ***Fabric***

During your private session, the instructor can assist with fabric selection (Capital Quilts staff can help at other times). If you have selected any fabrics for your quilt, bring them to the private session. Fabric must be high-quality, 100% cotton for satisfactory results.

*By the end of the first class:*

2 yards of theme fabric for blocks and borders (a good theme fabric incorporates at least 4 or 5 colors to help you coordinate the other colors)

5 to 8 assorted fat quarters that coordinate with your theme fabric. Select light, medium, and dark colors in small, medium, and large scale prints. Tone-on-tone, florals, geometrics, stripes, even plaids will also work. (You will probably add more fabrics as you see your quilt come together.)

Before the second class, wash and press all fabrics.

*For later in the course:*

$\frac{5}{8}$  yard for sashing (the strips between the blocks)

$1\frac{5}{8}$  yards for the quilt backing

$\frac{3}{8}$  yard for binding (may be your theme fabric)

$\frac{1}{4}$  yard to make a hanging sleeve
