If you have questions, please contact Pam at simplycolordesign@gmail.com.

CLASS POLICIES:

- Please do not bring visitors to class.
- Be sure to check your supply list before class. Bring all supplies with you.
- If you must cancel the class, your fee can be refunded ONLY if you have notified us at least seven days before the class. The refund will be a store credit. If someone on the waiting list can fill your place, you will receive store credit for the fee, even if you have not notified us by the deadline.
- Capital Quilts reserves the right to cancel a class due to insufficient participation. We require at least two people in a daytime class and three in an evening class. If we cancel the class for this reason, you will receive a full refund of the class fee. (You can avoid this situation by getting a friend to sign up with you!)
- If Capital Quilts cancels the class for any reason, including inclement weather, you will receive an email advising you of this situation. We also post store closings on our website, www.capitalquilts.com, and on Facebook. If the class is rescheduled, you will be invited to come to the new class before the class is opened to public registration. In the event you cannot take the rescheduled class, you will receive a full refund of the class fee.

Classroom sewing machines are available for rental during a class. There is a \$10 fee per class session. Quantities are limited, so please ask to reserve a machine as soon as possible. Plan to come to the shop early on the day of class so that we can show you how to thread and operate the machine.

We look forward to seeing you in class!

- Optional: small iron and ironing mat, if you have them. We have 2 irons in the classroom, but there is a lot of pressing to be done with this project, and you will move along faster if you have your own pressing station.
- Optional: Strip Stick for pressing seams open

BEFORE COMING TO CLASS:

please have your fabric cut into 5" squares if you are not using pre-cuts. The AccuQuilt GO! machine is perfect for this. There is a 5" square in the 9" Qube, or use die 55010.

You can also cut 5" strips and sub-cut these into 5" squares; a 5" square ruler would help with this.

If you have any questions, please contact Pam at simplycolordesign@gmail.com.
