LOOKING FORWARD TO ANOTHER NEW YEAR: Welcome 2018

We will have new classes, events and as always new products to share with our customers in the new year. Our next major event will be March 5 & 6 featuring **Kym Goldup-Graham, co-owner of The Sewing Revolution**. Come enter a world where arcs and circle center magically appear, where shapes almost draw themselves and where embroidery design placement is perfect every time. Kym lives in Queensland, Australia and will be with us for a 2 day event which will feature her inspiring trunk show followed by lots of hands-on-time where you will practice Kym's techniques. Because this is a hands-on event, class size is limited so sign up **NOW!** Visit this web site to get a peek of Kym's work.

CHRISTMAS ORNAMENT TABLE MAT - Create a whimsical table mat. Project is part of a Kimberbell Embroidery Design Pack. Pretty monograms are built into the designs and also come as a stand-alone font in 3 sizes. BONUS Sewing Patterns are included in case your embroidery machine does not have a large enough sewing field to complete larger items so you can start the design in your embroidery machine and finish on your sewing machine! How cool is that! **CLASS FEE: N/C with purchase of design pack - only \$29.99**
