What's Happening at All About Sewing

Come visit our newly expanded and remodeled store. Last month we expanded our product line to include the Brother International Dealer Line of Sewing machines, sergers, multi-needle embroidery machines and the Scan N Cut vinyl cutting machine. This makes us the largest and most varied sewing machine dealers in the tri-state area. In order to make room, we have moved our old classroom to a new unit in our building, moved our fabric into the old classroom spot and we are now in the process of re-arranging the store, AGAIN. It has been a lot of work but also fun and exciting. Come see what all we have done!!! We are planning to have an open house soon but if you come in NOW and ask for a demo on our Disney Embroidery machines, we have a surprise gift for you. Also, while you are here, register for our fall special events.
