The goal will be to gain an understanding of BERNINA sewing features such as: Temporary Altered Stitch Memory, Needle security, BSR, Pattern extend and Density Control, Swap to Delete in sewing and embroidery, On-screen buttonhole measuring. And in Embroidery, how to rearrange stitching order, using Absolute Check and Pinpoint Placement. Machines featured are: 8 Series, 7 Series (only embroidery capable), and 5 Series (590 & 570).

ADVANCED JANOME MASTERY - In this class we will explore the unique features of the new sewing & embroidery machines. The goal will be to gain an understanding of JANOME sewing features as well as in integration of the 5 unique apps and clothsetter used with the embroidery units. Machines featured are: MC 15000, and Skyline S9

A-LINE JUMPER - Bring your machine and fabric for fun and easy sewing for children. Learn about optional techniques such as piping, appliqué, embroidery and monogramming ideas. This class is sure to save you lots of \$\$\$ as you create one of a kind clothes for your toddler. **CLASS FEE \$25.**

BASIC DRAPES - Learn the basics of drapery making from Cheryl Pough. Cheryl has years of experience and knows how to share her passion with others. You will come away knowing how to measure your windows, estimate fabric yardage, how to plan, cut and sew basic drapery panels and how to line your drapes. Don't miss this informative class. **CLASS FEE \$30. KIT FEE: \$10**

BASIC SEWING - Beginner Level. Learn the basics in four lessons! You will learn the parts of your machine and standard sewing techniques, then apply those techniques as you make simple beginner projects. Four three-hour sessions. **CLASS FEE \$50.**

BASICS OF EMBROIDERY – All Levels. **CLASS FEE \$50 per session or FREE if you purchased your machine from us.**

Session I: The Operation of Your Embroidery Machine When you purchase your machine we will schedule a private session with you to teach you how to operate your embroidery machine.

Session II: The Basics This class will be a lecture/demo about the basic supplies used for successful embroidery. We will include the selection of needles, threads, stabilizers and specialty notions designed to help you get started.

Session III: Successful Hooping and Design Placement Professional embroidery requires a knowledge of how to hoop and proper placement of your design.

FLORIANI CLUB - Learn to use your Floriani Software. Each month we will concentrate on an aspect of this wonderful software. Software lessons combined with projects using parts of your software will help you become proficient with your software. **CLUB DUES \$60/year (prorated if you join during the year) Additional kit fees based on monthly projects presented.**

4TH OF JULY HIP BAG - Looking for a way to show off your patriotic side this 4th of July? Make a new bag! Using a few fabrics, some quilting and adding a zipper and cross-body strap you will have a new bag in just a few hours! **CLASS FEE: \$15 includes pattern**

MINI APRON - Make this multi-purpose apron for each of your hobbies. You can customize and/or personalize to suit your own needs. Make one for work, for around the house, working in the garden and any other task you have to do that requires you have tools or necessities handy. At the very least you need a pocket to keep your cell phone handy. Make it plain and practical or to reflect the use with a novelty print. **CLASS FEE: \$10**

SERGER MASTERY - Bring your serger and a basic sewing kit, and 4 different colors of serger thread to this class and learn how to thread and maintain your machine. We will also learn to adjust tensions to achieve a perfect balanced stitch and to convert your machine to do a rolled hem. FREE if you purchased your machine from us. One three-hour session. **CLASS FEE \$50.**

SLOPER CLUB - We are a fun group of fashionistas and would love to have you join us. Our purpose is to learn how to use a basic sloper pattern to draft fashion patterns that actually fit! Check out our Facebook Group to see what we are doing. You must have a fitted sloper to participate but if you want to come and see what we are about you can come to one free. **CLUB FEE: \$15 per session**

SOUTHERN SILHOUETTE CLUB - Join us as we explore what the Silhouette Cameo can do. This wonderful tool is useful for cutting a wide variety of mediums including paper, card stock, vinyl, heat transfer vinyl, fabric and much more. It can also be used in Printing, scrapbooking, glass etching making greeting cards, gifts, signs, templates for rhinestone designs, and stencils are just a few of the things you will be able to create. **A different technique or project will be presented each month. CLUB FEE: \$15 Additional kit fees based on monthly projects presented.**

SUMMER JACKET - We all need a lightweight jacket in our summer wardrobe to layer over tank and sleeveless tops when we are going from hot outdoors to air conditioning. This semi-fitted jacket style with draped fronts is the perfect style to suit that need. Jacket has extended shoulders and back neck finish with narrow hem for quick, easy fit and construction. This Kwik Sew pattern also includes semi-fitted top. Jacket is designed for lightweight wovens and top for stretch knits only with 50% stretch. **CLASS FEE: \$30.**

WELDING CAP - This cap offers needed protection for a welder. Why not make it stylish or in a print that represents the interest of the wearer. This would be a great Father's Day gift. Pattern is sized Small, Medium and Large. **CLASS FEE: \$15 + \$10 KIT FEE**

TODDLER REVERSIBLE SUNDRESS - This unique dress design is just one pattern piece that crisscrosses in the back and buttons at the shoulders. Reversible and amazingly simple! Make with a pair of coordinating bloomers for an adorable outfit. Pattern is Sizes 6 months - 4T. **CLASS FEE: \$20**
