ITCHIN' TO SEE YOUR STITCHIN' PROMOTION

These are certainly challenging times. As I write this we are watching a tropical storm aimed at the Gulf Coast, which is expected to be a Category 3 Hurricane at landfall. We who live here, are concerned, but have no choice but to pray and take things in stride. Also the Delta Variant of the Covid 19 virus has become a local concern. We continue to carefully provide a safe place for you to shop. Masks are suggested but not mandatory and social distancing is also suggested. Don't forget you can order products online, by phone or e-mail. Curb side pick-up and mail delivery are also an option. We are here to serve you! Christmas is coming! Why not make some of your gifts this year? Some affected by the virus have mild symptoms, so while you are sheltering in place at home, crank up your sewing machine, embroidery machine and serger and CREATE something wonderful. We would love to see what projects you are working on so we have created a fun promotion for you to share your projects.

RULES FOR ITCHIN' TO SEE YOUR STITCHIN' PROMOTION:

1. Project must include something you purchased from our store. It can be fabric, a pattern or a technique done on your machine purchased at All About Sewing.
2. Please take several photos of your project and write up a description about how you made it and what products you used. Send photos to skondis@bellsouth.net by Sept 30, 2021. We will post on social media.
3. Project should be something made from Jan 2021 through Sept 30, 2021. NOTE: Promotion ends Sept 30, 2021.
4. Make sure you include Name and contact information so we can reward you with your \$25 Gift Certificate.

First time students must purchase basic supply kit. \$30. Each session will have additional supplies to purchase based on class projects.**

BASIC DRAPES - Learn the basics of drapery making from Cheryl Pough. Cheryl has years of experience and knows how to share her passion with others. You will come away knowing how to measure your windows, estimate fabric yardage, how to plan, cut and sew basic drapery panels and how to line your drapes. Don't miss this informative class. **CLASS FEE \$30. KIT FEE: \$10**

BASICS OF EMBROIDERY – All Levels. **CLASS FEE \$50 per session or FREE if you purchased your machine from us.**

Session I: The Basics This class will be a lecture/demo about the basic supplies used for successful embroidery. We will include the selection of needles, threads, stabilizers and specialty notions designed to help you get started.

Session II: The Operation of Your Embroidery Machine, Hooping and Design Placement - We will start by teaching you how your machine works. Then you will learn how professional embroidery requires a knowledge of how to hoop and proper placement of your designs.

BELLINO BAG - Advanced Level. Is it a backpack or is it a handbag? It's both! This Linda McGehee bag pattern is for a multi-sized bag with pockets inside and out. Trimmed with corded piping, the pattern uses zippers for closures, pockets and strap conversion. The pattern includes 3 sizes and uses pre-quilted fabric which eliminates the need to line. This is the best travel bag ever!!! **CLASS FEE: \$30**

DIY DENIM SKIRT - Don't throw those old jeans away! You can repurpose them in so many ways. Using techniques in the Denim Redisign book by Indigo Junction, we will be making a fabulous, fun denim montage skirt! Learn how to repurpose even "unusable" parts of the jean cut-offs and scraps, and add additional embellishments with buttons found in your grandma's button jar, as well as use those left-over lace scraps from previous projects. **CLASS FEE: \$25.**

DUST RUFFLE & PILLOW SHAM- Learn the basics of this bedroom item and save tons of money as you do-it-yourself. Cheryl Pough will share workroom secrets to make this project a breeze. **CLASS FEE \$30. KIT FEE: \$10.**

MYSTERY SKIRT - This fun, patternless skirt will become the foundation of your skirt wardrobe. Easy to make, and comfortable to wear, it looks so good when made out of rayon challis or poly georgette. It can be a day time skirt or an elegant evening skirt. You will want several of these in your wardrobe. **CLASS FEE \$30.**

MACHINE MASTERY CRUNCH - Learn to use your machine. Whether you have a new machine or just need a refresher about the basics, you are welcome in this class. We will cover many of the techniques that we generally cover in our 5 week class but we will move along more quickly than we do in those classes and focus on the basics. Obviously, we will not cover everything but we will try to answer any questions you have. **CLASS FEE: \$50 or FREE** if machine was purchased from us.

SERGER MASTERY - Bring your serger and a basic sewing kit, and 4 different colors of serger thread to this class and learn how to thread and maintain your machine. We will also learn to adjust tensions to achieve a perfect balanced stitch and to convert your machine to do a rolled hem. **FREE** if you purchased your machine from us. One three-hour session. **CLASS FEE \$50.**

SIMPLE ELEGANT TEE SHIRT - This Indigo Junction pattern is quick and easy to sew with only 2 seams, hems and neckline finish. Fitting is also a breeze. We have a template for you to try on to decide how you want your shirt to fit. The style is a Tee Shirt but pattern is drafted for woven fabrics. See our sales associates for suggestions of fabrics to make this top. **CLASS FEE: \$25** plus purchase of pattern and fabric.

SPIRALPATCHWORK TECHNIQUE- Spiraling is an adventure. Whether beginning with 2 fabrics or 30; whether using solids, prints, plaids or a combination of the three; or whether using fabrics with texture like velvet, the results are always intriguing and surprising. You can then incorporate your new unique fabric into a quilt, hand-bag, or a one-of-a-kind garment like a jacket or vest. **CLASS FEE: \$15** **Supplies needed: 1/4 yd of 3 different fabrics (one light, one medium and one dark intensity).**
