

# GIANT POPPINS BAG

3 Class Sessions

Wednesdays: August 13, September 17 and November 12, 2025 @ 9:30 am – 12:30 pm  
or Saturdays: August 16, September 20 & November 15, 2025 @ 1:30 – 4:30 pm

## Supply List

Pattern & Stays for Aunties Two Patterns “GIANT POPPINS BAG” (stays come with pattern and you can purchase stays without pattern if you want to make more than one bag)

Fabric A (outside) (Non-directional fabric with 42” of usable width) 2 yards

This is the bag body, side binding, inside pockets and pocket lining.

For directional print fabric or panels, you will need enough fabric to cut the following: 2 rectangles 21” tall x 34” wide. If using a panel, purchase an additional piece of fabric of 1.5 yards for the other parts.

Fabric B - Inside Bag Body Lining – 1 yard

Fabric C – Handles, Bottom, Binding, Bows, Tabs – 1.5 yards

### Interfacing:

Bag Body: Bosal's IN-R-Foirm Plus (double side fusible foam batting (you need f pieces the size of your bag). - 2 yards

Bottoms: Bosal's Craftex Plus (30” wide – this is a double-side fusible very stiff interfacing – 1 yard  
OR use Bosal's pre-cut Craftes Plus GIANT Poppins Bag Bottoms

Zipper: 36” Handbag Zipper with wide zipper tape and double slides

### Other Tools:

- Sewing machine with a free arm and either dual feed or walking foot
- Size 100 quilting or top-stitch needles
- Threads to match or contrast with your fabrics
- Parchment paper and or Teflon pressing sheet
- Paper or template plastic to trace bottom pattern on
- Wonder Clips, the larger ones
- Rotary cutter, 60 mm – a must have, the 45 mm cutter just doesn't do it
- Fabric marker, erasable – Sewline air or water marker works great
- Seam ripper, I had to use mine twice, sorry to say
- measuring tape
- Pencil with eraser for turning tubes

B

You will not need your machine for the first class. We will be cutting, marking and fusing the bag parts so do bring along your pressing sheet & parchment paper so we don't make a mess on the iron and ironing table. I suggest you identify your bag pieces as you cut them.

Kami will be able to assist you with getting the supplies ordered.
