

Embroidery 101-Lettering

This class we are going to use the lettering in our machines and explore the options we have, and learn how to:

- ✚ Add lettering to a design
- ✚ Change the shape of the lettering
- ✚ Change colors in lettering
- ✚ Get creative with lettering and think outside the box

Supplies needed:

- Machine and embroidery module
- #26 presser foot
- Bobbin and bobbin case
- Size 75/11 embroidery needles
- Embroidery thread
- Embroidery bobbin thread
- Large oval hoop and template
- Thread snips or scissors
- USB stick, optional

Let's have some fun and see what you can create!
