

Wholecloth Rulerwork 1.0 Supply List

Build your skill set, beginning with the straight edge ruler. Finish this block as a table topper or pillow, or take all the classes and combine all projects into a larger "quilt as you go" project.

Supplies:

- Sewing machine* in good working order (freshly cleaned/oiled with new needle) with Sew Steady table or slide on tray to support project;*
- Ruler foot* and also a straight stitch foot (#1/1C/1D) for your sewing machine;^
- Pattern: Wholecloth Quilting Ideas Block 1 by Amanda Murphy;*
- Straight edge ruler: Every Angle Good Measures (OR the new Every Angle Plus Ruler) by Amanda Murphy. It *must* be 1/4" thick to use with the Bernina #72/72S ruler foot;*
- Fabric:
 - Two pieces of good quality fabric, (ironed) measuring 22' x 22'. Fabric does not have to be solid white fabric, but it does need to be fabric you can easily mark and easily see those markings;
 - Batting: one piece of batting measuring 22" x 22";
 - 1/4 yard binding fabric if making a single table topper (optional)
- Sewing supplies, including:
 - 24" ruler for marking*;
 - 12" 8ths Graph Beveled Ruler*;
 - *Contrasting* thread for stitching – much easier to see than matching thread*;
 - Marking tool*;
 - Spray adhesive for basting*;
 - Quilting gloves (recommended)*

Instructor: Deb Miner

*Supplies marked with * can be purchased at Bernina.

^for all Bernina sewing machines & select Bernettes

BEFORE CLASS: Before Class: PRE-Mark your quilt top with one horizontal, one vertical and two diagonal lines through the Center Point, forming a + and an X, using your marking tool. Be Precise -- the greater your accuracy in drawing the lines through the center point, the more balanced your project will look.
