

Wholecloth Rulerwork 4
Supply List

Supplies:

- *Sewing machine in good working order with Sew Steady table or slide on tray to support project;
- *Ruler foot for your sewing machine;
- *Pattern: Wholecloth Quilting Ideas Block 4 by Amanda Murphy;
- *Oval rulers: Every Oval set of five Good Measure by Amanda Murphy. It *must* be 1/4" thick to use with the Bernina #72/72S ruler foot;
- * Bring your Straight Ruler from class 1: Every Angle Good Measures by Amanda Murphy;
- * Quilting gloves if you have them.

Fabric:

*Two pieces of fabric, (ironed) measuring 22' x 22'. Fabric does not have to be solid white fabric, but it does need to be fabric you can easily mark and *easily* see those markings;

*1/4 yard binding fabric if making a single table topper;

Batting: one piece of batting measuring 22" x 22";

*Sewing supplies, including:

24" ruler for marking;

Marking tool (recommend Bohin chalk pencil for dark fabric and blue water soluble marker for light fabric);

Spray adhesive for basting.

Before Class: PRE-Mark your quilt top with one horizontal, one vertical and two diagonal lines Through The Center Point, forming a + and an X, using your marking tool. Then add the 22-1/2 degree lines using the Every Angle ruler. Finally, mark an 18" square centered over your lines. Be Precise -- the greater your accuracy in drawing the lines through the center point, the more balanced your project will look.

*Supplies marked with * can be purchased at Bernina.
