Wholecloth Rulerwork Supply List

Build your skill set, beginning with the straight edge ruler. Finish each block as a table topper or pillow, or take all the classes and combine them into a larger "quilt as you go" project. Instructor: Deb Miner

General Supplies for all classes:

- Sewing machine* in good working order (freshly cleaned/oiled with new needle) with Sew Steady table or slide on slide-on table to support project;*
- #72/#72S Ruler foot (Bernina machines)* or something similar for your brand sewing machine, and also a straight stitch foot (#1/1C/1D) for your sewing machine;
- Fabric:
  --Two pieces of good quality fabric, (ironed) measuring 22' x 22'. Fabric does not have to be solid white fabric, but it does need to be fabric you can easily mark and easily see those markings;
  --Batting: one piece of batting measuring 22" x 22";
  --1/4 yard binding fabric if making a single table topper (optional)
- Sewing supplies, including:
  --12” 8ths Graph Beveled Ruler*;
  – *Contrasting* thread for stitching – much easier to see than matching thread*;
  --Marking tool*;
  --Spray adhesive for basting*;
  --Quilting gloves (recommended)*
  --24" ruler for marking* (optional)

*Supplies marked with * can be purchased at Bernina.

BEFORE CLASS: Before Class: PRE-Mark your quilt top with one horizontal, one vertical and two diagonal lines through the Center Point, forming a + and an X, using your marking tool. Be Precise -- the greater your accuracy in drawing the lines through the center point, the more even your project is.
