

## GENERAL BOM INFORMATION

### ONLINE AND IN STORE PROGRAM

All BOM members pay a non-refundable \$15.00 sign-up fee for each BOM program in which they are participating. Credit cards will be held in a secure file. Please be sure the card you give us has an expiration date beyond the end of your program, or call us with a new number when needed. No blocks will be available to pick up early nor will they be mailed before BOM Saturday.

When you sign up for any BOM program, the entire program's patterns, fabric and/or supply purchases by our shop is allocated to you. That means we have already incurred the expense. ***There are no cancellations!*** Your card on file will be charged each month.

### IN STORE PARTICIPANTS

Block of the Month meets the **4th Saturday** of each month (unless otherwise noted). Our doors open at 10:00 am and our meeting will begin sharply at 10:30. We'll have Show and Tell and go over any particulars for each block that month. Your credit card will be charged at some point the week BEFORE the fourth Saturday of each month.

In-store participants earn TQSTs, or The Quilters Studio Tokens. They can be used in the store on the last Thursday of any month on non-sale/non-discounted items, so the more you collect the better! Earn TQSTs by attending the meeting, completing your monthly packets within the month, and by participating in show and tell.

Block packets can be mailed to you. Just let us know when to turn on and off mailing and your on-file credit card will be charged. You must provide notice **at least** two (2) weeks prior to BOM Saturday if there is a change to any information on your account. If your card is charged for mailing due to a late notification, you will be responsible for that payment and it will not be refunded.

### BY MAIL PARTICIPANTS

Additional shipping fees ranging from \$6.35-\$13.95 for a flat rate domestic envelope (Canada and International participants will be charged additionally) and all shipping fees will be added to your monthly fee. Cost depends on distance and weight of items being mailed. International may be shipped less expensively if the fabric packets are smaller. We can fit up to 5 yards in a flat rate envelope. To save on shipping, get a friend to participate with you, or even more fun... get a group together once a month after your packet arrives, pass out the blocks and sew together! We're happy to combine shipping to save you money. You always have the option of adding from our online catalog to fill your packets. Orders for more than \$200.00 are shipped for FREE, but the order must be placed prior to the mailing of your packet and notes can be included in the order.

Packets are mailed out the week FOLLOWING the first Saturday of each month. Your credit card will be charged when your packet is ready to mail, generally the same day or the night before we send it.

For any larger quantities of fabric that need to be mailed, the least expensive method of priority shipping will be used. Shipping fees are subject to change per the USPS.

All of our Block of the Month patterns are shown in the store. Photos of the projects will be shown on our website, [www.quiltersstudiova.com](http://www.quiltersstudiova.com).
