

Class supply list for Inktense ink pencils for embroidery

INKTENSE ink pencils, Set of 12

These are available online or at Dick Blick \$28.99

They are also sold as individual pencils, but would recommend a set for beginners. If you already have a larger set, bring 'em all.

Ink tense blocks are available, and if you already own them we can work with them. If not, I recommend starting with the pencils

Palette knife or Paring knife with a point

Rotary cutter/ ruler

Painters tape; if you do not have this I will have a roll in class.

Embroidered block will be supplied. If you have an open design quilting block you would like to embroider and bring, that is fine also.

NO sewing machine required
