What's New!

We have so many amazing new products to introduce to you beginning with our new Janome Machines stop in for a demo and see the exciting new features.

Liberty Tana Lawn Cottons –Check out this beautiful cotton from Liberty London it is lovely for quilts as well as garments.

Sew Comfortable cushions This memory foam cushion ensures an improved sewing experience. The ergonomic design promotes good posture and provides excellent support.

Shortcut binding tool – It's 3 tools in 1. Makes flange and binding in one unit - all machine stitches, no hand work. Makes 2 sided, 2 colour binding either machine or hand stitched and provides a simplified method of putting binding tails together. Ask for a demo of this amazing tool!

Wool Ironing Felted Mat—Why wool? This 100% wool mat retains heat, so when you iron your fabric its like ironing both sides at the same time.

Hot Ruler—Measure, mark, fold, press, hems and corners with this heat resistant thin accurate ruler. Unique non slip surface holds fabric in place for precise results!

Gripper Rings and Paddles These no slip rings make machine quilting easy, safe and painless. No need for gloves with easy knobs for a comfortable grip, they hang on to your fabric while you sew.

Handi Grip—this sandpaper like grip tape holds your rulers in place especially when you are doing ruler work.

Irons — We carry irons from Reliable and Olisio including full size and many small travel /classroom irons as well

Soft Fuse—this paper backed fine double sided adhesive is now back in stock. It is light weight and perfect for multiple layers of appliqué

Lamps and Magnifiers—we have all sizes to suit your needs for those hard to see projects and work areas.

Guidelines 4 Quilting This system guarantees faster, more accurate cutting with this mistake proof, slip proof system and their Quilt Ruler Connector
