St. Peter's Abbey is the oldest Benedictine monastery in Canada. It was founded in 1903. In its zenith of the mid-60's, St Peter's Abbey had over 60 monks. The Benedictine's work involved founding parishes, parish schools, establishing a press, publishing Catholic newspapers (St. Peter's Bote (1904) and Prairie Messenger (1923)), engaging in mixed farming and establishing St. Peter's College.

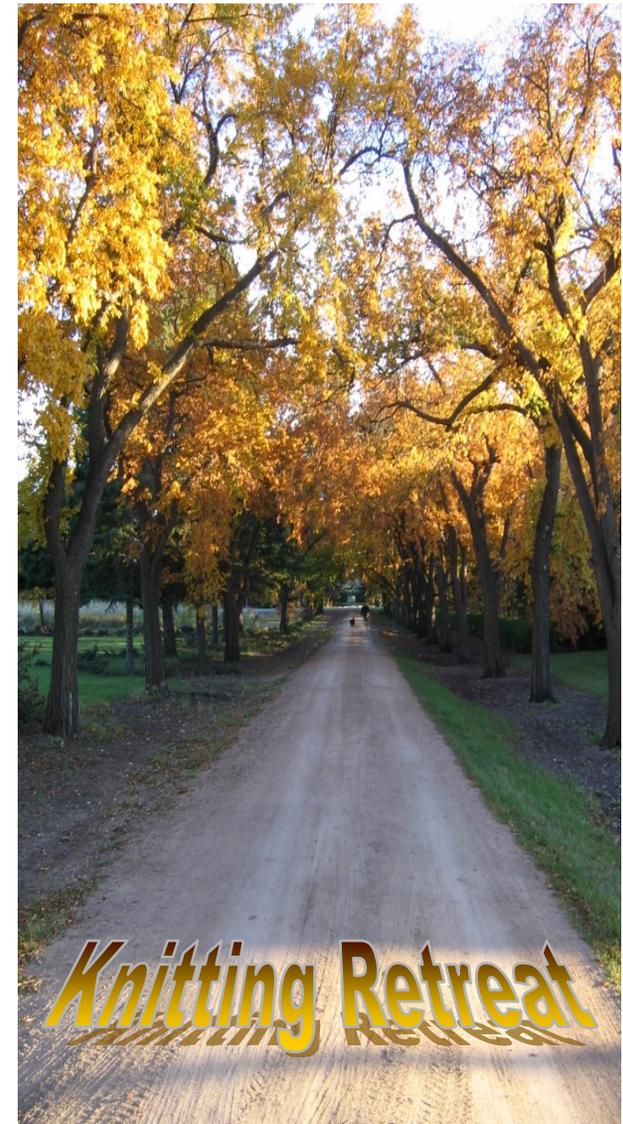

St. Peter's College brings together a picturesque country setting with academic excellence. Located in Saskatchewan's heartland, St. Peter's College offers the best of both worlds—friendly and supportive learning environment and excellent instruction with access to the University of Saskatchewan—all this amidst a beautiful landscape!
