CLASS SUPPLY LIST

Scan-N-Cut: Drawing Tools

About this Class

Your ScanNCut's pen tools can be used with both paper and fabric. Learn to use the Pen Holder, the Universal Pen Holder and the newly introduced Small Barrell Pen Holder (if available) to draw out quilt pieces with seam allowances, draw designs from the machine or things you scanned, and add text to cards or gift tags. You can also use the drawing options to make lines thicker or fill areas with patterns.
