Sewing Concepts CLASS INFORMATION

(WOODSTOCK STORE ONLY)

Instructor	Lynda
Class / Pattern Name	Every Day Tote – Machine Embroidery Class
Dates	October 13 th , October 27 th , November 10 th
Times	5:30 to 8:30
Class Description	This Tote has a unique shape, wider at the top, narrower at the bottom. Optional pockets on the inside lining, and an optional inset zipper closure at the top for added security. Cute little decorative ties decorate the sides. The main blocks are strip pieced on the diagonal and are finished off with a simple but effective quilting design. Great design for jelly roll strips, or using up your scraps!
Skill Level	Basic machine embroidery skills are required
Supply List	• Fabrics and supplies on pattern, please purchase before class • Embroidery machine for the first class • Sewing machine with a walking foot for class 3 and 4 • Neutral thread for construction • Rotary cutter • Quilting ruler • Pins, scissors, etc.
Additional instructions	Before class begins: Cut all the fabrics before the first class following the instructions on your design USB or download from HoopSisters
	Class One: • Begin stitching blocks Homework – finish blocks before next class Class Two: • Assemble outside of bag Homework – finish outside assembly of tote, including handles Class Three: • Assemble Lining and put tote together
