Instructor	Gail
Class / Pattern Name	(Not Quite Your) Granny's Garden
Dates	Saturdays Oct. 26, Nov 22, Dec 6 2025
Times	10 am – 12:30 pm
Class Description	This is a perfect “a bit beyond the basics” quilt! This quilt has an “on point” layout, so we are handling bias edges. We will practice basic HST blocks with an unusual layout, “rewriting” the pattern a bit to do some strip- piecing, and adding flat borders. We will also demo a machine binding. <i>We aren't making this quilt “as is” on the pattern cover; instead of applique, we are showcasing some beautiful floral fabrics!</i> Quilt completes at 55” X 55”
Skill Level	Beginner with confident rotary cutting skills – Great second quilt!!
Supply List	• <i>Granny's Garden</i> quilt pattern by The Quilt Factory • Sewing Machine in working order with ¼” foot • Basic sewing and rotary cutting supplies * Fabrics – <u>Here's what I modified & purchased to make the sample:</u> • <u>Fabric A</u> is the charm pack * <u>No need for fabrics B, C, or F (unless you want to complete the applique)</u> • <u>Fabric D</u> I purchased 1 yard (instead of 7/8 yard)– <i>that is the center squares AND the outer border</i> • <u>Fabric E</u> – I purchased ¾ of a yard (instead of a yard) ○ I used a different fabric for the binding (instead of Fabric E) and purchased ½ yard (<i>mine is red stripe</i>) • <u>Fabric G</u> – Light Blue blocks and setting triangles – 1 yard ❖ <u>Fabric H</u>- It's the fabric I used for the HST with charm pack and border blocks – 5/8 yards <i>*Fabric H is NOT on the pattern*</i>
Homework	Cut STRIPS ONLY per pattern – do not do any sub-cutting! Read through pattern
