

## Border Ruler Quilting

### Supply list

Besides the appropriate Border Rulers and ruler foot for your machine, you will need the following:

- quilt sandwich (for practice) not more than 20" square
- Ruler or straight edge
- two different colors of marking pens (Frixion recommended but NOT the fine tip)
- stitching line discs (will have them at the store)
- Spacing Gauge
- Handi-Grip tape (you can use the grip tape that comes in the ruler package if you want)
- Straight stitch plate for your machine
- Thread for stitching
- needle - 75/11 needle if using Aurifil (90/14 needle if using a heavier thread)
- extension table if you have one - highly recommended
- general sewing supplies
- quilting gloves (optional but helpful)

### Must be familiar with your machine and how to –

- Set the machine in ruler work mode
- Turn off the cutter if your machine has this function.
- Set your needle to stop in down position if possible.
