

## Supply List for Cork Sew together Bag

- ◇ Sew Together Bag – Cork Club
- ◇ Supplies Needed:
- ◇ Pattern – Sew Together Bag
- ◇ One piece of cork fabric 13 ½ x 9 ¾ -- For the exterior of the bag only
- ◇ ¼ yard fabric for side panels (note: all 4 panels do not need to be cut from the same fabric)
- ◇ 1/3 yard x WOF for Pocket Lining
- ◇ Binding fabric 1 fat quarter (18 x 22)
- ◇ 1 yard fusible lightweight interfacing (nothing heavier than Shapeflex)
- ◇ 1 – 18” or longer zipper. (I prefer 22”)
- ◇ 3 – 9” zippers or longer (I definitely use longer, it is much easier during construction)
- ◇ We will not be doing the optional needle landing inside the bag
- ◇ If you want your bag a little more spunky, you can use multiple colors of fabric for the interior. This is a great stash buster project.

### PLEASE BRING TO CLASS:

- ◇ Have all of your fabric pieces cut out. Have the four pieces of pocket lining fabric fused to stabilizer. Also have 2 of the four side panels fused to stabilizer.
- ◇ Sewing Machine. Thread. Small Ruler, Marking pen or pencil. Wonder Tape (this helps hold the zipper in place while you sew it in place.)
- ◇ Sharp Scissors. We are sewing on cork, so please use a Microtex needle- 90/14, or the Janome purple tip needle is perfect.
- ◇ Bring all of your supplies that are listed above.
- ◇ We are here all day, so please bring a lunch, or some snack, or there are several fast food restaurants nearby if you like. We will take a break once the interior portion of the bag is done. It is a perfect stopping point. Then we will attach the interior to the exterior cork fabric.

See you then, I can't wait

Beth
