| Dates | 10/12, 10/20, 10/26, 11/2, 11/9, 11/16 all Monday except 10/20, which is a Tuesday |
| Times | 5:30-8:30pm |
| Class Description | Features Hoffman Digital Print Panels |
| Skill Level | Confident beginner, rotary cutting skills are a must! |
| What HOMEWORK is required BEFORE class | So important! Cut out all the pieced blocks before second class begins so we can get right to stitching! WE WILL CUT THE PANELS IN FIRST CLASS 😊 |
| Supply List | Sewing machine – Your favorite ¼ foot Scissors and rotary cutter 6"x24" ruler sewing thread and bobbin to match your kit |
| Additional instructions | Hoping to accomplish: Class 1: Cut all panels, cut and begin sewing border around center panel Homework, finish center panel border. Class 2: Piece blocks Class 3: Piece blocks Class 4: Piece blocks, begin assembly of block border Class 5: Stitch blocks around the center panel, begin bordering corner panels Class 6: Assemble corner panels, begin adding borders Whew! It's important to keep up with this schedule to have this beauty completed. Some homework may be required, depending on how much gets finished in class. |
